- PRŮBĚŽNÁ REFLEXE PROJEKTU

A collection of white, smooth, rounded objects of various sizes, resembling stones or pebbles, arranged on a light gray background. The objects are scattered across the frame, with some appearing larger and more prominent than others. The lighting is soft, creating subtle shadows and highlights that emphasize their smooth, organic shapes. The overall composition is minimalist and clean.

OFFLINE DAY CHALLENGE FEBRUARY 2024

CHALLENGE: OFFLINE DAY

If you make it, write a few sentences about your OFFLINE DAY.

- What did you do?
- What did you miss the most?
- How did you feel the whole day?

Don't forget to write your country first, your name (and class)?

IT ANDREA S. 2B

Yesterday was the Safer Internet Day. Indeed we didn't use the phone; the challenge started at 07:30 a.m. I was quite sad because I couldn't use my phone but I tried the challenge. Yesterday I had the tennis training and it helped me so much. I watched TV and I did my homework. In the evening I went to the restaurant because it's my mom's birthday. When I finished the dinner, at 21:30, I watched

MRS SOAVE

Example: Yesterday I turned off the connection on my phone at 7:30 am and I stayed 24 hours without internet connection. In the morning at work I had to use the connection on my tablet for the school log. In the afternoon I used the phone to make two phone calls without internet. At 7:30pm I met two old friends from my previous job. It was great to see them. I honestly didn't miss whatsapp and all the chats. Yesterday my nephew Edoardo was born at 6:33pm. I didn't watch any series on Netflix and I went to bed at 10:00. This morning at 7:30 I turned the connection on and I saw the picture of my newborn nephew. He is really handsome.

IT PABLO R. V. 2B

Yesterday morning at 7:30 am the "No Internet Day" challenge started. The first hours weren't hard at all, because I was in school and so I didn't use my phone. Then, when I arrived home I ate and before I started to do my homework I played in my room. Then I watched my phone to see my homework. I also used the computer for a

IT FEDERICO S. 2° B

Yesterday, I tried to don't use the telephone for one day. I muted Whatsapp and Fantamaster at half past seven am and I told my relatives and friends that I'll answer just to the not-whatsapp-call until today half past seven am. Yesterday, I used the telephone just to listen to music on Spotify, and I failed just to see if I won or lost at Fantacalcio. Yesterday, to don't use the telephone, I mainly did my homework (they were so many) and I read a book. My challenge was to don't use the telephone, so I watched Youtube on the TV. Then, in the evening, I watched Sanremo with Zlatan.

IT ANDREA C. 2B

Yesterday after 5 minutes from the start of the challenge I had to call a friend because she was late, but I didn't use internet. I turned off my phone at 7:45. In the afternoon I lost the challenge: I lost the bus and I had to warn my friends and, without thinking, I messaged them. I knew I lost the challenge but I wanted to

IT GEMMA G. 2B

Yesterday morning at 7:30am it started challenge (24hs without internet). In the morning at 9am I went to dentist. At 12:30am I had lunch with my mum and dad. In the afternoon I watched Netflix (Mare Fuori) After read a book. At 16:45pm I went to my friends Viola birthday. At 20:30pm I had dinner and after dinner I watched Sanremo with my mum. I had fun judging the singers. (my favorite singer it's Angelina Mango.) At 23:30 I went to sleep. I missed my phone a little but overall I had fun.

IT ELENA I. 2B

Yesterday I managed not to use the phone for 24 hours. Yesterday I studied and I didn't play at the video games. Instead of doing that I read a book little women grow up, but I watched tv Sanremo. It was simple because I never use my cell phone.
